.Kansas City United will offer for the sixth year its weekly soccer academy for **boys and girls ages six through ten**. The academy will introduce premier level soccer by teaching fundamentals of the game, including how to properly pass, dribble, and shoot, and basic feints. The academy will lay the foundations for the decision making necessary for learning more advanced tactical concepts in the years to come. During this time the player will continue to play on his or her own recreational team. Academy coaches will make every effort to see at least one of these recreational games to assess the progress individual players are making.

Academy Director:

Fatai Ayoade

The Academy sessions will be directed by Fatai Ayoade. Fatai was an All Region 1st Team Selection at Park College. Immediately after graduating from College, Ayoade was tapped by Jim Schwab to be his assistant at Johnson County Community College. Ayoade was promoted to Head Men's Soccer Coach in 2000 when Schwab started the women's program at JCCC. In his first year as a college coach, Ayoade led the Cavaliers to Regional and Conference Championships with a team composed almost exclusively of freshman (seven of whom played with the Kansas City United Attack 81/82 Team also coached by Ayoade). In his second full year at JCCC, Ayoade produced a team that was ranked in the top fifteen in the nation (the final poll placed them 7th), with the team repeating as Regional and Conference Champions and then going on to the District Championship and a final finish of 3rd in the Nation. He repeated this accomplish three years later in 2005, again leading the Cavaliers to the Junior College National Tournament. In eight years of collegiate coaching, Ayoade has been named Regional Coach of the Year three times.

Each session is strictly limited and is on a first come first served basis.
